ROLES**You - /Principal / Female / 19 - 25**

African American, Mixed race. Fit. Southern Lady or Someone with Southern roots. Loves everything about a Great BBQ joint.

Must be at least 19.

Talent really and truly has to love meeting people, the South, the Heartland, trying new thing and especially — BBQ. And by "new things," we mean anything: Pork, chicken, beef, goat, super-spicy stuff, smoked mullet, whatever we come across. You must have a real sense of adventure. There's no room for picky eaters. If the thought of eating super spicy ribs, chicken, and maybe goat, off a food truck in some small town in the middle of Alabama makes you a little bit uneasy — this is not the opportunity for you. If, however, you have a natural inquisitiveness, love BBQ and Southern food, and think you could host a news-magazine style show, then you are just who we're looking for.
